

PIC18 microcontroller has many versions and packaged in many different shapes. Complete the table below. Show a figure representing the PIC18 PDIP pin out.

Package Type Abbreviation	What does Abb. stands for?	Is it surface mount?	Insert a picture of the package
PDIP	Plastic Dual In-Line Package	Yes	
SOIC	Small Outline Plastic Package	Yes	
DFN	Dual Flat No Lead	No	
TQFP	Thin Quad Flatpack Package	Yes	
LQFP	Low Profile Quad Flat Package	Yes	

SSOP	Shrink Small Outline Package	Yes
