

Student Name: _____

Name of school _____

Your relationship to the student: _____

To the recommender: (if preferred, you may type your responses on a separate page)

1-How do you know the applicant? For how long?

2-In your opinion, is the student seriously considering studying engineering? Is the student open to study in a local university in the North Bay area?

3- How do you evaluate the academic standing of the applicant in the math/science/engineering courses?

4- In your opinion is the student committed to attend all five days of activities in the engineering summer camp?

5- We can offer limited scholarships to the qualified students. In your opinion, does the student need tuition waiver if he/she is accepted to the engineering summer camp? If yes, please briefly elaborate.

6- Is there anything else you would like us to know about the student?
